## Europe

## Australasia

# Global Maths

## Americas

## Asia

# Global Maths

Use an atlas to help Kieran and Niamh identify the countries and continents that they wish to visit. Make a holiday list and complete the number activities.

## Challenge 1

Complete the following activities using the maps provided.

1. Mark an X on the country 'Ireland'  on the map.
2. Draw 2 small baguettes  on the map where France  is.
3. Draw 5 baby kangaroos  on the continent Australasia .
4. Draw a line connecting Ireland  to Spain  and mark 4 fishing boats  on the line.
5. Draw the Statue of Liberty  on the right-hand side of America .
6. Mark an X on the map where you might find the Great Wall of China .

## Challenge 2

Put the world's continents in order of size from the smallest to the largest.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_

Make a list from 1 to 10 of the top 10 favourite countries in the world you would like to visit:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_
8. \_\_\_\_\_
9. \_\_\_\_\_
10. \_\_\_\_\_

### Challenge 3

Use the map to count the items and colour in the boxes, 1 box per item. The first one is done for you.

<b>Baguettes</b>									
<b>Kangaroos</b>									
<b>Eiffel Tower</b>									
<b>Countries in North America</b>									
<b>Boats</b>									
<b>Continents</b>
