

# Making a PowerPoint.

**1**        
1) Decide on a subject or topic that you are interested

  
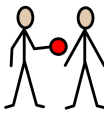

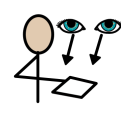

in.

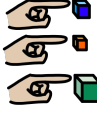

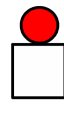

**2**        
2) Use the internet to research about your topic of

  
interest.

**3**       
3) Create a PowerPoint presentation about your topic of

  
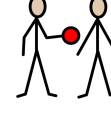

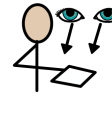

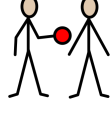

interest.

**4**       
4) Remember to add pictures to your presentation.

**5**  **2** or **3**  **3** sentences  about  each  picture  on  each

slide.

**6**  Share  your  presentation  with  your  family or  friends.
