COVID-19 RISK ASSESSMENT 2020-21

VERSION 19

9 February 2021

- Zone 2 – staff must use room at the top of the upper corridor (first floor central area) with access to the small kitchenette upstairs (in PPE only)
- Zone 3 – staff must use Staffroom – right side room
- Zone 4 – staff must use Family Room
- Zone 5 – staff must use Staffroom – left side room (with access to the right side in PPE)
- Zone 6 – staff must use Conference Room

Staff day:

General:

Whilst we operate a rota system, all staff are required to be ready to attend work every day, if required. Therefore, please always be ready to start work at 8:30am sharp and check your emails and answer phone calls at this time, and any time during your contracted working hours.

All employees, regardless of their job role normally, are expected, during the Covid-19 pandemic crisis, to be prepared to work directly and closely with the students in order to help with the smooth operation.

Before arrival:

- Always check your work email for last minute notifications of closure
- If unwell, do not attend and report your absence with exact symptoms, as soon as possible to: sick@abbotsleaschool.co.uk
- If you received Covid-19 test results, please send the screenshot, clearly showing entire message, including date and time stamp to covid@abbotsleaschool.co.uk
- Sharing transport with those outside of your Zone is actively discouraged. If you share transport on the way to work with a colleague from outside of your Zone, please wear PPE as you would do on public transport. Please share your transport arrangements with the school's Covid-19 Lead so that we can have a swifter track and trace information processing, possibly affecting you or your travel partner
- Only arrive at work if you do not have Covid-19 symptoms, or other contagious disease
- Maintain social distancing as much as possible

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

		<p>On arrival:</p> <ul style="list-style-type: none">- When you arrive at The House, put PPE on before entering the porch (always take one spare mask the day before to help you with this)- Use hand sanitisers in the porch every time before entering and exiting Reception- Sign in using your badge and, if required, replenish your PPE supplies provided for you (available by Reception desk)- Wear your bum-bag at all times when working with students- Go to either your designated staffroom or directly to your Zone- On entering staffroom and Zone, wash your hands, or sanitise if your Bubble does not have hand-washing facilities <p>During the school day:</p> <ul style="list-style-type: none">- Your primary workspace is your Bubble; during reduced lockdown operation, bubbles within the Zone are treated as one area of infection control and so, you do not need to wear PPE when within your Zone- If you leave your Zone, you must wear PPE- You may not enter other Zones, unless you have been instructed to by a member of the Leadership Team. This may be for escorting students from/to transport, for a brief professional visit or re-deployment (for part of the day, full day or more than one day)- Deployment to another Zone will only happen where necessary and Operational Leadership Team will make that decision in communication with each other. When working in another Zone, staff must wear PPE.- It might be that, due to Covid-19, the class staff are due to support is not on site on a given rota day. OLT will then make a decision about staff deployment that day. Each such situation will be assessed on a case by case basis.- You may also be called to support colleagues in another Zone in an emergency. In those situations, please always continue to wear PPE and maintain social distance as much as possible. If your PPE has been compromised, or you simply did not have the time to apply it before responding to the crisis, please report it via email to covid@abbotsleaschool.co.uk, sharing specific dates, times and full names. This will help our track and trace practice.

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

- When you take a break, only have it in your designated staffroom, outdoors, or offsite, and whichever you choose to do, actively seek to distance yourself from others and do not share/merge tables to create a closer social environment.
- Never have your break in another Zone.
- Always clean all of your dishes and take them away/put them away. **Do not leave any items (mugs, plates, lunch boxes, cutlery, etc.) on any surfaces.** They will be binned by the cleaners so that they can thoroughly disinfect all surfaces.
- If you spot any areas which need additional cleaning, alert your Zone cleaner to it.

At the end of each school day:

- Always complete all reporting before leaving the site
- Always be aware that you might not be returning the next morning due to your Zone closure and so, please never leave any consumables on site and always take with you all of the technology allocated to you (including chargers) so that you can work remotely.
- Always ensure that the school has your contact details, including your mobile phone number
- Always check your work email for any last minute notifications of closure or change of staffing rota

Sensory Integration Clinic and sensory room:

- These facilities can now be used safely with fogging between users, with 30 minutes of time lapse between the end of cleaning regime and the next user.

Outdoors:

- Outdoor learning activities to be actively promoted – both on site and externally - as much as possible

Ventilation:

- All rooms to keep windows open, whenever possible, and those with external doors to open the doors as frequently as possible to thoroughly ventilate the space
- Always open doors and windows when leaving your bubble during the day to increase ventilation

9 February 2021

			<ul style="list-style-type: none">• As the weather changes, be mindful of needing to dress warmer than in the past due to windows being open• Extend your care to the students, especially those who might be underdressed due to their sensory needs <p>Visitors:</p> <ul style="list-style-type: none">• The school will operate restricted access for visitors (where possible after school day and in The House only, with mandatory PPE) <p>School biometrics:</p> <ul style="list-style-type: none">• Access through biometrics will be restricted to minimise hand contact, allowing staff and students in KS5 to use their badges for access <p>Crisis management:</p> <p>In crisis situations, the risk of Covid-19 is secondary to the immediate other threats, and our usual duty of care applies and so:</p> <ul style="list-style-type: none">• Dynamic risk assessment of all activities and responses will be applied by the school staff• Normal school Positive Behaviour Support policy and procedure is in place• Normal school fire evacuation and lockdown procedure is in place• Fire evacuation assembly will take place in Zones and Bubbles	
2	Classroom environment	Students Staff Contractors	<p>Ventilation:</p> <ul style="list-style-type: none">• Each class to have windows open whenever possible• If a class has external doors, those are to be open as frequently as possible, and always during breaks, to maximise ventilation <p>Hand hygiene:</p>	M

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

- Each classroom with handwashing facilities is to maintain at least hourly hand washing by all staff and students, plus washing hands as needed.
- Hand sanitising gel to be used frequently

Personal Protective Equipment (PPE):

- PPE items made available to be used by the staff as required
- PPE items to be made available to students if they wish to use them
- Staff leaving **their Zone** must wear PPE (face mask) at all times
- Students who provide their own re-usable masks should store it in a sealed plastic bag during the day and ensure hands are washed after removing it.

Minimalist approach to furnishings and resources to be used by all, at all times:

- Excess furniture, including soft furnishings, soft toys and any other resources causing clutter and preventing easy surface cleaning removed
- Excess resources removed
- Class teams to maintain this approach daily and operational leaders to quality assure daily

Handling and management of all other resources:

- Any equipment or toys used are to be wiped after use by the staff before another student using it
- Any items requiring a deeper clean by the cleaning team after school are to be left in the classroom's quiet room or, if no quiet room in the class, in an agreed corner of the room.

Teaching and learning records management:

- Any work completed by the students in their books will be managed by the class team in the usual way, with hand hygiene and wiping of surfaces, if needed

3	School day	Staff Students	<p>School day for the students:</p> <ul style="list-style-type: none">• Monday – Friday• 8:30-14:30 (note departure for Zone 6 and 3 is 2:15pm, Zone 4 and 5 at 2:25pm and Zone 2 at 2:30pm) <p>Expectations of students and families:</p> <ul style="list-style-type: none">• Students must wear a school uniform to school each day• On days that the students have PE, they are to come into school in their PE kit and remain in their PE kit all day (the same applies to the staff in terms of dress code)• Students may bring a school backpack to school• Any packed lunch brought into school must be packed in a way which allows the school team to dispose of all of the packaging (plastic or paper bag, but no lunch box)• Students may bring a water bottle which must be named and washed at home each day• Students may not bring any unnecessary soft toys or other personal items• Students who bring a mobile phone will give it to the staff member on arrival and the phone will not be available to them during the day until they leave at 14:30 <p>LA SEND Transport:</p> <ul style="list-style-type: none">• Protocol has been agreed in conjunction with LCC SEND Transport and other Transport companies and the plan is to:<ul style="list-style-type: none">○ Have students transported on buses in Zones; where possible○ Transport to arrive and for students to be collected in those Zones by ALS staff; where possible, by Zone staff○ All ALS staff to wear masks and sanitise hands on entry to buildings and then again prior to assisting another group of arriving students;○ All entrances to the buildings to be used externally to minimise congestion in corridors of the main entrances;○ Hand washing upon entering the classroom after transport for students and after completing transport duty for the staff;	M

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

- Extended 30 minute arrival and registration and departure window introduced to cope with the predicted slower arrival and discharge process.

Term 3 and 4:

- **Arrival:** buses to arrive on a first-come first served basis between 8:30-8:45am only. Staff to wear PPE and line up, as per **Zone** rota, in front of the main school building and take first-come-first-served approach to arrivals, escorting students to their Zones and Bubbles; then returning to repeat until all students are welcomed
- **Departure:** Buses instructed to arrive at 14:15 or Zone 3 and 6 only; at 14:25 for Zones 2, 3, 4 and 5; individual taxis instructed to arrive for 14:30 for all individual pick-ups.

All transport providers, including families, arriving too early may be sent away at the gate.

Punctual, orderly and well-led by the class teams arrival of students at the end of the day is key.

Parents/carers dropping their children at school

- The school times for your child are: 8:30am – 14:30.
- The arrival time is therefore 8:30am in the morning and collection is at 14:30.
- There are no parents/carers parking on site during start and end of the school day and parents are not to park their cars in the staff car park.
- There are therefore three options for dropping your child at school:
 - walk your child to school (only one adult may accompany the child onto site; please wear a face mask and proceed to the area to the left of the main school building)
 - park respectfully and legally in nearby roads and walk onto the site with your child (as above);
 - drive your child onto the school site and join the transport traffic queue (the child will be collected from your vehicle and you will be asked to remain inside your vehicle);
- Families are requested not to gather at entrance gates or doors, or remain on site (unless they have a pre-arranged appointment) once they have handed over their child to the staff.
- This process will be monitored closely so refinements can be made where necessary.

If you usually have a cough it may be worse than usual)-fever (temperature of 37.8 or higher)-loss of, or change in, normal sense of smell or taste (anosmia)• New variants of Coronavirus may include other symptoms or present as asymptomatic. Seek NHS advice if unwell.• Many positive cases diagnosed proved to be in asymptomatic individuals• In a case of a suspected case during the school day, a staff will be isolated in the First Aid room (or alternative room if needed) and offered a fast flow test; if positive, or a person is unwell, they will be sent home as soon as possible; the staff will need to then engage with national testing programme	H

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

- In a case of a suspected case during the school day, a student will be isolated in the First Aid room (or alternative room if needed) and sent home as soon as possible
- Staff and students must have at least two next of kin contacts, with phone numbers, emails and postal addresses on the school's database; any changes must be communicated immediately so that emergency contact can be established swiftly
- If a case is confirmed for a student or a staff in a given Zone, that Zone will be closed and its members will be sent home to self-isolate and take part in a Track and Trace activity; This is because there may be no social distancing within the Zone. Staff who may have visited the Zone would be risk assessed on a case by case basis.
- Families of students in that Zone will be informed of the confirmed case and advised to be vigilant in observing any potential symptoms, as well as given authorised permission to withhold their child from school, whilst awaiting testing and results.
- All families will be informed of a case in the school.
- Transport arrangements for all students and staff in that Zone will be scrutinised and all students and staff in contact with the infected person will be informed that they must self-isolate.
- The same applies to a positive case being diagnosed amongst the transport team, who will automatically close that transport route and all those using it will have to self-isolate.
- ALS has the capacity for testing of all staff and, following a consultation with all staff on Friday, 22 January 2021, the testing clinic is opened:
Monday, Wednesday and Friday from 8:10-8:45am; and 14:30-15:30. Those who engage with the testing and test negative daily, will not need to self isolate and may continue working at school. Anyone testing positive will trigger the emergency response, as detailed above.

In short:

- It is certain that the Zone may close
- It is probable that the neighbouring Zones may need to be closed (for example if there is a sibling in another Zone or a staff member in a personal relationship in another Zone)
- It is unlikely that the whole school would need to be closed

This provision plan is subject to external advice received at a time and may, therefore, change.

Period of self-isolation is 10 days, unless engaging in daily testing.

Liverpool
City Council

COVID-19 RISK ASSESSMENT 2020-21

VERSION 19
9 February 2021

7	Continuity of service provision	Students Families	<p>The school is currently operating reduced onsite provision, as specified below:</p> <p>1. Children of essential key workers, as defined by the central government 2. Children currently on Child Protection Plans (CP, section 47) 3. Children currently classed as Child in Need (CiN, section 17) 4. Children who are Looked After (LAC) 5. Children currently subject to Early Help Assessment Tool (EHAT) 6. Children eligible for Free School Meals (FSM) 7. Students in our Early Years and Key Stage 1 (the youngest of our learners) 8. Students in our Nurture Provision (most complex special educational needs requiring therapeutic support) 9. Students completing internal Supported Internships (students whose employability support is essential at this point in time for them to secure best future)</p> <p>All other students will receive twice daily direct live interactive teaching via Zoom and will also have access to a wide range of other learning via our platforms.</p> <p>All students, families and staff will continue to have access to our Multidisciplinary Team support, including direct therapy, advice and guidance.</p> <p>Additionally, we support our staff and their families with Employee Assistance Programme which offers 24/7 advice, support, guidance and discreet therapy. This service is free of charge at the point of access for our team and their loved ones and offers wide-ranging services, including financial advice.</p> <p>If, despite the above reductions, the school reaches unacceptably low levels of staffing, which would make the school's operation unsafe, the school will take the following steps to remain open for as many groups as possible:</p> <ul style="list-style-type: none">- Change staffing rota and bring all staff available for work into school- Temporary increase in staffing establishment by engaging agency and bank staff- Addition of midday supervisory capacity to allow permanent staff to be able to take breaks- Asking teachers to take their statutory PPA entitlement outside of the school day	H
