

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, M.Ed, B.Ed(Hons), NPQH

23 June 2021

FOR PARENTS/CARERS OF DIRECT CLOSE CONTACTS OF COVID-19 at ALS

Dear Families

Ref: Advice for your child to self-isolate for 10 days – Mozambique

I write to advise you that, regrettably, a student in Zone 5 has developed symptoms of Covid-19 and your child has been in close direct contact with the student.

In line with the national guidance, we recommend that your child now stays at home and self-isolates until we receive a confirmation from the symptomatic student's PCR test. If the PCR test is positive, your child will need to self-isolate and can return back to school on Monday, 5 July 2021. If the test comes back negative, we will re-open Mozambique class and inform you of that immediately.

Tomorrow all learning will take place remotely and log on details will be sent to you in due course.

Please be advised that the transport has been cancelled, however, you may wish to contact your transport provider to confirm this also.

Yours faithfully

Mrs A Hildrey
Headteacher
