FOR PARENTS/CARERS OF DIRECT CLOSE CONTACTS OF COVID-19 at ALS

Dear Families

Ref: Advice for your child to self-isolate for 10 days – Transport Route

I write to advise you that, regrettably, a student with whom your child shared transport arrangements has developed symptoms of Covid-19.

In line with the national guidance, we recommend that your child now stays at home and self-isolates until we receive a confirmation from the symptomatic student's PCR test. If the PCR test is positive, your child will need to self-isolate up to and including Thursday, 1 July 2021. If the test comes back negative, we will inform you of that immediately and your child will be able to return to school.

Tomorrow all learning will take place remotely and log on details will be sent to you in due course.

Please be advised that the transport has been cancelled, however, you may wish to contact your transport provider to confirm this also.

Yours faithfully

Mrs A Hildrey
