Dear Families

Ref: Key Stage 5 Students of Malawi and Christmas Island Classes

I am pleased to advise you that the student in Zone 2 who developed symptoms of Covid-19 has now received a **negative** PCR test result.

We will therefore re-open both Key Stage 5 Bubbles (Malawi and Christmas Island) tomorrow with all students expected to return on Thursday, 24 June 2021 at 8:30am.

Transport has been informed, however, it is recommended you also contact your usual transport provider to ensure your child is picked up tomorrow morning and brought to school.

Yours faithfully

Mrs A Hildrey
Headteacher
