Dear Families

## Ref: Class Team Introduction Boards

Our class teams have been busy making their Class Team Introduction Boards.

As our Transition Week has been interrupted by Covid-19, you may find it helpful in revisiting those boards with your child so that adults working in the school next year become more familiar.

The Class Team Introduction Boards can be found at: <http://www.abbotsleaschool.co.uk/staff-introductions/>

Please use the password: Intros2021

Yours sincerely
