

2 November 2021

Dear Families,

Liverpool City Council is currently consulting with families of children to find out about their experiences of professional childcare. This is to help us shape the future of childcare provision for children and young people here in our city.

This survey is to find out more about what parents, carers and families think about professional childcare in Liverpool. We want to hear about your experiences, thoughts and feelings about professional childcare—whether that's early years day care or wraparound services for school-aged children, such as breakfast/afterschool/holiday clubs. If you have decided not to use childcare, we want to hear from you too!

This survey is aimed at parents or carers who live within the Liverpool City Council boundary with children aged 0-14, or parents and carers of children and young people with special educational needs or disability (SEND) of age 0-18. We would also welcome feedback from people who may not live in Liverpool but who use childcare services in Liverpool.

If you would like to tell us about more than one child, please complete a separate survey submission for each child.

Follow the link below for more information on the consultation and to access the survey to share your views. Thank you in advance for your support.

EARLY YEARS AND CHILDCARE SURVEY

from Liverpool City Council

What is the survey about?

This is an opportunity for Liverpool City Council to hear the public's views on shaping the future of childcare provision for children and young people here in our city. This survey is to find out more about what parents, carers and families think about childcare in Liverpool. We want to hear about your experiences, thoughts and feelings about childcare—whether that's early years day care or wraparound services for school aged children. If you have decided not to use childcare, we want to hear from you too!

How do I complete the survey?

Follow the link below for more information on the consultation and to access the survey to share your views. Thank you in advance for your involvement.
