

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, M.Ed, B.Ed(Hons), NPQH

SENT ON BEHALF OF THE NHS TEAM

26 January 2022

Dear Families

Ref: COVID-19 Vaccination

All 12 to 15 year olds are now eligible for their COVID-19 vaccination.

Vaccinating your child can help to reduce the need to have time off school and avoid disruption to their education whilst also reducing the spread of COVID-19 within schools.

During this second phase, the immunisation team will be delivering COVID-19 dose 1 or dose 2 vaccines in school. Doses will be dependent on consent being received and will be 12 weeks after dose 1, a positive COVID-19 test or COVID-19 illness.

We kindly request you complete your child's form following the below link, even if you don't want your child vaccinated, before midnight on Sunday 30th January 2022 to help support campaign planning.
