Dear Families

Ref: Transition Information Session for the families of KS4 and KS5 students

As we approach the mid-year point in this academic year, I write to invite you to the information session focused on Key Stage 4 (KS4) and Key Stage 5 (KS5) transition support. The session will explain the different pathways available to your child as they approach adulthood. We will discuss the opportunities available within and beyond Abbot's Lea School.

You will have a choice of the following sessions:

- Thursday, 27 January 2022, 17:30 – 18:00
- Thursday, 10 February 2021, 17:30 - 18:00

Zoom details for each of the sessions will be sent to you the day before and there is no need to book onto the sessions. I will host the session and will be joined by Mr Lyons (KS4 Leader), Mr Mason (KS5 Leader) and Mr Fernyhough (Employability Manager).

We look forward to seeing as many of you as possible there and, for those unable to join us, a recording of the session will be available on our website – the link to which will be shared on social media.

If you wish to submit any questions related to the KS4 and KS5 transition ahead of the session, please email: feedback@abbotsleaschool.co.uk

Please note that we will not discuss individual student's career, advice and guidance in these public sessions. Any such questions should continue to be directed to your child's Class Team who will be happy to support you.

Yours sincerely

Mrs E Tobin

Deputy Headteacher
