Dear Families

**Ref: Family Training: Eating support, eating disorders and ARFID; Wednesday, 9 February 2022 at 2pm**

I am writing to inform you of an upcoming event hosted by Sharon Becker from the Eating Disorder Young People's Service (EDYS). This session will cover eating support, eating disorders including ARFID and signposting to support and guidance.

The EDYS are a dedicated community-based service which provides a timely access to multi-disciplinary assessment and intervention for children and young-people from across Liverpool and Sefton up to the age of 18 years old. The team is closely linked with other eating disorder and mental health services throughout the North West, such as Young People's Advisory Service (YPAS) and Cheshire Eating Disorder Service (CHEDs).
