

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, M.Ed, B.Ed(Hons), NPQH

10 February 2022

Dear Families

Ref: KS5 Accredited Learning Option Choices

As you will be aware from our previous communication, from Term 5 (after Easter), our Key Stage 5 students will continue or begin to study the following subjects:

- Functional Skills English (accredited)
- Functional Skills Maths (accredited)
- Functional Skills ICT (accredited)
- Science Open Awards (accredited)
- Life and Living Skills OCR (accredited)
- Core Religious Education (non-accredited)
- Core Physical Education (non-accredited)
- Core Food Technology (non-accredited)

We will also introduce for all students:

- Employability ASDAN (accredited)

In addition, all students will study RSE (Relationships, Health and Sex Education).

To supplement these core curricular areas, we will offer all students the opportunity to diversify their qualifications by studying a minimum of two, and a maximum of three, additional subjects. These will be referred to as your child's "option choices".

The current KS5 students have already completed a ranking exercise recently, where they ranked the subjects in their order of preference. This provided us with an initial indication of which subjects students wish to study further.

We now need to formalise all students' chosen option pathways and therefore, will be completing the below form with them in class. We ask that if you are able, you discuss this with them at home.

If you wish to discuss these options with your child's class teacher, please do not hesitate to contact school.

Yours sincerely

Mrs Tobin
Deputy Headteacher
