Dear Families

Ref: Updated Critical Worker List

The government has recently released an updated list of categories of critical workers, which the schools are asked to use as a guide to prioritise offer of a school place in case of any partial closure of onsite learning related to Covid-19 pandemic:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

To ensure our school records are up to date, please could you let us know if your current job role classes you as a critical worker. We will require your job title, employer and working pattern.

Please complete these details at the following survey link:

<https://www.smartsurvey.co.uk/s/ALS-criticalworker/>

This is a purely information gathering task and to ensure we have the most up-to-date information available should we find ourselves in a situation of having to restrict onsite operation.

Yours sincerely

Mr R Manley
