

Message to be emailed to all Year 8 parents/carers

Dear Year 8 Parents/Carers

All Year 8 children are offered the HPV vaccination which protects them against a range of HPV related cancers.

Please access the below link in Google Chrome to enable you to access further useful information about the HPV vaccination course. This will enable you to make an informed decision about your child's vaccinations and health.

We kindly ask that ALL parents/carers complete your child's consent form by Friday 04/03/2022 even if you choose NOT to consent to this vaccination, as this will avoid you receiving further follow up correspondence from our service and assist with campaign delivery.

This HPV vaccination is a two dose programme and you will be consenting to both doses.

<https://econsent.merseycare.nhs.uk/> (Use Google Chrome)

If you wish to change your decision or amend your form at any time after submission, you must contact the immunisation service.

Please do not re-submit a further consent form.

We hope this information is helpful. If you would like to discuss anything further or require support, please don't hesitate to contact the immunisation service on 0151 295 3833

Many Thanks,

Liverpool School Based Immunisation Services
