

## Returning to School

From 1 June, some students will be returning to school. Most students will continue to stay at home.

It is still important that we continue to practise social distancing, and protect each other from Coronavirus.

Handwashing posters on display remind us to wash our hands throughout the day.

Personal Protective Equipment (PPE) is available to keep each other safe.

This may look a bit strange at first, but it really is the safest way to be in the same place together.

On arrival, you will have your temperature checked to make sure you are well enough to be at school.

School starts at 9:00 and finishes at 14:00, but you will not be following your usual timetable.

The staff in your group will plan fun activities that you will enjoy.

You must bring in a packed lunch if you can, but you must not bring any other belongings.

Classes will be in the KS4/5 building. There are fewer tables and chairs to increase the space.

The weather is lovely and we will be aiming to do many fun outdoor activities.

You must wear outdoor trainers, PE kit (shorts or tracksuit bottoms) and bring a light coat.
