Dear Families

Ref: Mock Exams in Key Stage 4

As we approach the end of Term 1, I would like to congratulate the students on their hard work. They have shown a great desire to attend school, engage in learning and, as a result, make progress. This has been very pleasing to see.

As discussed, during the Family Information Session related to exams, we will be holding class-based mock exams in November.

The students will be practising sitting exams at the level they are working at presently. This is an opportunity for the students to show how much they have learnt and for the teachers to further adapt the pitch of the teaching in the coming weeks.

The series of exams will be:

- 15 November 2021 - Maths paper A and B
- 16 November 2021 - English reading and writing papers
- 17 November 2021 - ICT

The students will practise sitting exams under normal exam conditions, and receive the additional support they require in order to access the exams.

Please refer to the Family Exam Handbook which is on the school website if you are able to support your child with the pre-mock preparation at home.
