It involves supporting students in participation in all areas of learning, including academic studies, therapeutic specialist support, one off projects, life skills development and community-based activities.

The work does involves sitting at low tables or on the floor and may involve lifting or restraint of students; there is training available.

The work is in a busy and, at times, noisy environment, with intensive interactions with students with communication and interaction difficulties

Working with Special Educational Needs students requires a particular understanding and appreciation of the individual needs, such as physical limitations, learning, emotional, behavioural and language difficulties or problems with organisation.

The behaviour of such children is often extremely challenging and is therefore emotionally and physically demanding. In some cases the nature of the students special need may result in staff being verbally or physically injured.

The above list of job duties is not exclusive or exhaustive and the post holder will be required to undertake such tasks as may reasonably be expected within the scope and grading of the post.

Safeguarding Responsibilities

1.Adhere to School Safeguarding Policy and ensure the safety of students at all times.

Leadership Responsibilities

1.Be an excellent role model to both staff and students and adhere to the ALS Golden Rules at all times.
