

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, M.Ed, B.Ed(Hons), NPQH

3 February 2022

Dear Families

Ref: Swimming Lessons

From Tuesday 8 February to Friday 18 February 2022 Italy Class will be going to Halewood Leisure Centre **every day** to take part in swimming lessons. The students will come to school as normal using their usual method of transport and we will travel to the leisure centre in a school minibus.

Your child will need **a labelled bag containing their swimming trunks or costume and a towel. If your child usually wears nappies, please provide adequate swimwear including suitable swimming nappies.** Please note your child's swimming kit will remain in school for the whole week, each day their towel and swimming costume or trunks will be dried in school and then we will send them home at the end of each week to be washed.

Italy Class have the first swimming slot of the day each day so it would be really helpful if you could send your child to school wearing their swimming trunks or costume under their school uniform and put their underwear in their changing bag instead although we appreciate this will not be feasible if your child wears a nappy to school.

We are really looking forward to the sessions and will start to share social stories and other visuals with the children from tomorrow to help prepare them for our daily outing to the baths.

Thank you for your support. If you have any queries regarding our upcoming swimming lessons please do not hesitate to contact us.

Yours sincerely

Mrs E Cooney
Italy Class Teacher
