Dear Families

Ref: Transition Information Session – Supported Internships

As we approach the mid-year point in this academic year, I write to invite you to an information session focused on the Supported Internship Programme at Abbot's Lea School.

We will be holding a Zoom session on Monday, 14 February 2022 17:30 – 18:00. Zoom details will be sent to you the day before and there is no need to book a place.

I will host the session and will also have some guest speakers from Liverpool City Council Independent Travel Team, with additional support from DWP advisers.

We look forward to seeing as many of you as possible and, for those unable to join us, we will be sharing the slides from the session on Tuesday, 15 February 2022.

If you wish to submit any questions related to the Supported Internship ahead of the session, please email: feedback@abbotsleaschool.co.uk

Please note that we will not discuss individual students' career, advice and guidance in these public sessions. Any such questions should continue to be directed to your child's Class Team.

Yours sincerely

Mr N Fernyhough
Employability Manager
