Dear Families

Ref: The World Reimagined Project

I am writing to inform you that this year, Abbot's Lea School had the opportunity to be a part of the ground-breaking national art project called The World Reimagined.

The first UK-based art project of its kind, it is designed to transform how we understand the Transatlantic Slave Trade and its continued impact on our world.

All students have had an input in the project and have worked hard designing a globe sculpture that will be part of an interactive, public walking trail in Liverpool from 13 August to 31 October 2022.

Abbot's Lea School's globe will be hosted at the Victoria Gallery and Museum, Ashton Street, Liverpool, L69 3DR for you to visit at your leisure.

Yours sincerely

Mrs B Suku
Class Teacher and Project Leader
