Dear Families

Ref: Exams information

Welcome back to the new school year - we have been pleased with the start the students have made the new term.

We write to formally update you on the next series of exams taking place at Abbot's Lea School this academic year.

All students in Years 11, 12, 13 and 14 will take part in exams in May and June 2023. Some students in years 12 and 13 will sit exams in November 2022 as well.

The students have another opportunity to prepare and practise for the exams by taking a series of mock exams to experience the process. Year 11 students will sit those mock exams in class week beginning 14 November 2022.

In the time leading up to the exams, all students will be supported through practice papers, revision guidance and mindfulness activities. The students will have access to online support available to them outside of lesson time and school opening hours, allowing for extra revision at home.

We will host a brief 30-minute Zoom meeting to discuss how you can best support your child through the process and I hope you can join me for that on 20 October 2022 at 5:30pm.
