Dear Families

**Ref: Make a loved one lunch**

I am writing to inform you that due to an unavoidable change in situation we will be modifying our approach to the planned event called "Bring a loved one to lunch."

To ensure that all students can still take part in this worthwhile Food Technology activity and the celebration of their sharing their culinary skills, we will change this celebration to "Make a loved one lunch."

During the week commencing Monday, 6 February 2023, all students will make a special plate of food for someone that they care about. They will bring this food home and use it to say thank you for being someone special to them.

The students are already looking forward to this and we hope that it will provide a nice opportunity for you to celebrate together.

Yours sincerely

Mrs E Tobin  
Deputy Headteacher
