Dear Families

**Ref: Transition event taking place on Wednesday, 8 March 2023**

I am writing to confirm the details of the transition event taking place here at the school on 8 March 2023, between 3:30pm and 5:00pm.

A student graduating from our school is an exciting time, but we understand that it can also be an anxious time when your child has to leave the Abbot's Lea School and move on to their next destination. Whether that happens at the end of Key Stage 4 (Year 11) or at any point during Key Stage 5 (Year 12, 13, 14), families often wish to be a part of that transition planning to assure themselves that all is in place ahead of such a big change.

We therefore want to offer as much support as possible to ensure that you as a parent have all of the information you need to support your child's choices.

To share as much information as possible, we have invited representatives from a variety of colleges and external agencies for you to be able to speak to directly, as well as Abbot's Lea School staff, who will be available to answer any question that you may have about our own post-16 KS5 provision.

Please get in touch with Mr Mason, Key Stage 5 Leader if you require any additional information regarding the transition evening: [ryan.mason@abbotsleaschool.co.uk](mailto:ryan.mason@abbotsleaschool.co.uk) or 07951353091, alternatively contact Mr Lyons, Key Stage 4 Leader on [matthew.lyons@abbotsleaschool.co.uk](mailto:matthew.lyons@abbotsleaschool.co.uk) or 07951352941.

We look forward to seeing as many of you as possible next week.

Yours sincerely

Mrs A Hildrey  
Headteacher
