Dear Families

## **Ref: Term 6 assessment to support your child's transition into KS4**

We are approaching the time when your child will be transitioning from KS3 to KS4, where they will move from an adapted National Curriculum pathway of learning to completing Functional Skills Accredited Learning Qualifications.

To support with their curriculum learning offer next year, I would like your child to undertake some assessments in Term 6 to support with ensuring they are placed in the appropriate learning group for next year.

The assessments will take place each morning of the following days:

**Monday 12<sup>th</sup> June – Maths**

**Tuesday 13<sup>th</sup> June – English Reading and Writing**

**Wednesday 14<sup>th</sup> June – Science**

These assessments are designed to support your child by ensuring that they are suitably placed when entering KS4 in September and beginning a new pathway of learning. The assessments, alongside data shared by their class teacher, will enable them to be placed effectively into their learning groups for the subjects specified above.

The assessments will take place in your child's classroom, under exam conditions, but with reasonable adjustments in place to ensure they are well supported and are able to manage any stress that they may encounter.

Please contact [ryan.mason@abbotsleaschool.co.uk](mailto:ryan.mason@abbotsleaschool.co.uk) if you have any questions relating to the assessment discussed, or any questions regarding your child's experience in KS4 next year.

Yours sincerely,  
Mr Mason  
Key Stage 5 Leader
