Dear Families

Ref: School Photographs

I am writing to inform you that our school photographer will be on **Wednesday, 6 December 2023**.

All students who missed out on our previous photography dates will have their individual photographs taken for internal Attendance Registers and Safeguarding purposes. These photographs are essential for the school to have on an internal administrative system in case of emergencies (such as missing child or absconding from school).

As the photos are of excellent professional quality, you will have the opportunity to purchase your child/children's photograph and you will be provided with the details of how to order online closer to the event.

We will accommodate siblings' photos where the children are attending Abbot's Lea School.

Please ensure that your child/children attend school in their full formal school uniform on both days. If your child/children normally wear PE uniform on the given dates, please note that they must wear the full formal uniform instead.

If you have any questions, please contact the school directly on 0151 428 1161.

Thank you for your cooperation.

Yours sincerely

Mrs A Hildrey
Headteacher
