Dear Families

Ref: Nut allergies

I wanted to take a moment to inform you about an important matter regarding the health and safety of our students and staff.

We have students and staff in our school who have a severe and life-threatening nut allergy.

To minimise these risks, we are a nut-free school.

I therefore ask that you please refrain from sending any snacks or meals that contain nuts to school. Any snack or lunch items containing nuts will need to be disposed of and replaced for alternatives.

I thank you for your cooperation in this matter.

Yours sincerely

Mrs A Hildrey
Headteacher
