Dear Families

Ref: An Afternoon of Reading Adventures in Early Years and Key Stage 1

Following the success of our recent Stay and Play events, where families had the opportunity to engage in their child's learning within our school environment, we have received requests for additional opportunities to spend time in school, exploring their child's learning in partnership with the school.

As a response to these requests, we are thrilled to extend a warm invitation to families with children in Ireland, Wales, Portugal and France to join us for a special Open Afternoon of Reading on **Friday, 24 May 2024, from 1:30pm - 2:00pm**. This event will not only allow us to celebrate the incredible achievements of our young learners throughout the term but also provide a platform for families to engage in immersive reading experiences alongside their children. Families are welcome to take their children home following the reading session.

During this event, families will have the chance to immerse themselves in the enchanting world of reading through various interactive storytelling sessions, sensory play opportunities, and hands-on exploration of materials related to our favourite stories. We believe that by fostering a love for reading from an early age, we can nurture lifelong learners and curious minds.

Families must confirm their attendance in advance of the session by contacting Miss Gibney, Assistant Headteacher - Primary Department, on primary@abbotsleaschool.co.uk

Additionally, please ensure that you confirm if you will be taking your child home following the reading session or if your child will remain in school and use transport. If you decide to take your child home with you, please ensure you inform the transport team.

We look forward to sharing this delightful afternoon with you and your family. Your presence will truly make this event even more memorable.

If you have any questions or require further information, please don't hesitate to contact your class team or Miss Gibney.

Yours sincerely

Mrs A Hildrey
