Dear Families

Ref: For parental action: key information about your child

As we prepare to start the next academic year, it is crucial for us to have the most up-to-date information about your child. We kindly ask you to complete the Smart Survey using your preferred access method:

Smart Survey Link: [Smart Survey Link](#)

Or

Webpage: <https://www.smartsurvey.co.uk/s/Studentinformation2024-25/>

Or

QR code:

The information in the survey is essential for us to update our records and maintain accurate data about our students. Therefore, even if you have filled out this survey in the past, please note that it needs to be renewed annually.

Important Points to Remember:

1. **If you have more than one child attending our school, please complete the survey separately for each child.** This means accessing the link twice and filling out two separate surveys.
2. **The deadline for completing the survey is Friday 30 August 2024.**

Timely completion will help us immensely in our preparations for the new school year and for making sure that we can do our best to care for your child. This will include emergency situations where we might need to contact you, or next of kin, during the school day or during school holidays.

Thank you in advance for your support and we look forward to seeing your child on the first day of school – Wednesday, 4 September 2024 at 9am.

Yours sincerely

Mrs A Hildrey
