Dear Families

## Re: Music Opportunities

I am delighted to share some exciting music opportunities available to students this year at Abbot's Lea School.

We are offering extracurricular activities including a music group, the school choir, or both! These sessions aim to nurture your child's musical talents in a fun and collaborative environment.

### Music Groups:

Weekly music groups will be available for KS2 (USA, Brazil, and Peru classes), KS3, KS4, and KS5. Each group will have 5-6 students, ensuring personalised attention. Led by external music specialists with support from our staff, these sessions are perfect for students interested in playing instruments or learning more about music.

### Choir:

For students who enjoy singing, we will run a school choir led by music specialists, supported by our team. Open to all students, the choir provides a chance to develop vocal skills and perform with others.

### Performance Opportunities:

Participants in the music groups or choir will showcase their talents in our Winter and Summer Musical Showcases, as well as the school Nativity – a yearly highlight.

### How to Apply:

Mr Mellor will be visiting classes this week with application forms. We encourage you to discuss this opportunity with your child. Mr Mellor will gather interest from all classes, and you will be informed within two weeks if your child has secured a place.

We look forward to seeing our students' creativity blossom through these musical opportunities. Should you have any questions, please contact:
