Dear Families

Ref: Uniform type timetable

As we approach the end of the short Week 1 of this academic year, and prepare for the first full week starting next Monday, I write to you with a clear uniform schedule expectation for each class. If there are any changes to this schedule, we will be sure to notify you promptly.

We will be keenly maintaining high expectations for compliance with the formal uniform and the PE kits, and so we ask that you support your child to wear the correct uniform each day. As a reminder, here is a link to the uniform expectations for our students:

If there are any questions you have or difficulties you are experiencing with this, please contact your child's class teacher who will be happy to support you.
