

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

13 November 2024

Dear Families

Ref: Next Steps Fair

We understand that guiding your child through important decisions about their future is essential, and we are here to partner with you every step of the way. Our goal is to support you and your child to navigate this process smoothly and in a timely manner.

Earlier this year, we hosted a Transition Information Evening to provide you with essential information on planning for your child's next steps, aligned with the Local Authority's statutory deadline of March 31st. Building on this, we're excited to invite all families of students in Years 10, 11, 12, 13, and 14 to our Next Steps Fair. This event will feature a wide range of providers who will be available to discuss their offerings and support options for students interested in joining their programs.

The Next Steps Fair will be a valuable opportunity for you and your child to gather key information about various post-secondary pathways. We understand the significance of these choices, and the Fair will allow you to connect with providers who can offer insights and reassurance about the transition process, from application through to enrolment. Our partners include several college providers, as well as representatives from Liverpool City Council and Careers Connect.

The Next Steps Fair will take place on Wednesday 11 December, 2024 at 3:30pm-4:30pm at Abbot's Lea School and is an ideal opportunity for you to ask questions, explore options, and discuss how we can best support your child's ambitions.

Thank you for your continued support, and we look forward to seeing you there.

Yours sincerely

Mrs E Tobin
Deputy Headteacher
