6 December 2024

Dear Families,

Ref: The Polar Express is Coming to Town!

We are thrilled to invite our students in Wales, Ireland, Portugal, France, Spain, Italy, and Canada classrooms to join us for a magical Polar Express experience on **Monday, 16 December 2024**.

The afternoon will include an immersive Polar Express experience, where students will:

- Receive their very own **Golden Ticket** to board the Polar Express
- Enjoy chocolate milk and cookies (dietary needs will, of course, be carefully catered for)

Watch *The Polar Express* movie in a cosy, festive atmosphere

We understand that not all students may wish to, or be able to sit through the entire film. Rest assured, we will provide alternative activities, and students are welcome to leave the screening at any time if they wish.

To make the day even more magical, students are invited to come to school wearing their pyjamas or bring them along, and we will be happy to support them in getting changed. Our staff will be joining in the fun too, dressed in their Polar Express PJs!

Whilst this will be a magical and fun experience, we wish to ensure you that the immersive element of the afternoon will include plenty of learning.

If you have any questions, please don't hesitate to get in touch with your child's class team.

All aboard!

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
