Dear Families

Ref: Destination of Year 11, 12 and 13 students for academic year 2025-26

I am writing to you as the 31 March deadline for the post-16 school transfers is fast approaching and the school must confirm the destinations of all students in Year 11, 12 and 13 for next year.

As your child is in that age range, I ask that you please inform us via email to reception@abbotsleaschool.co.uk which of the following option applies to your child.

1. My child will be remaining at Abbot's Lea School next academic year as part of the KS5 provision
2. My child will be leaving Abbot's Lea School this year and has already secured a place at another setting for September 2025 (please share with us that destination)
3. My child intends to leave Abbot's Lea School and will therefore be applying for another setting by 31 March 2025.

We ask that this information is shared with us by **20 March 2025**.

We recognise that these can be big decisions to make, so we are here to offer further support and guidance to our students to help with their next steps.

Please get in touch with Mr Mason, Assistant Headteacher for Secondary Department if you require any additional information or support.

Mr Mason can be contacted on secondary@abbotsleaschool.co.uk or 07951 353 091.

Yours sincerely

Mrs A Hildrey
Headteacher
