

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

25 March 2025

Dear Families

Ref: Warmer Weather – Sun Protection and Hydration

As the warmer weather approaches, we want to ensure that all students stay safe and comfortable while enjoying outdoor activities.

To help protect them from the sun, please ensure the following:

- **Suncream:** We encourage all students to come to school with suncream already applied. They may also bring a bottle of suncream in their bag to reapply throughout the day. Please label the bottle with your child's name.
- **Sun Hats:** Students are welcome to bring sun hats to wear during outdoor activities to provide extra protection from the sun.
- **Water Bottles:** Staying hydrated is important, so please send your child with a refillable water bottle each day. We have water stations available for refills.

Yours sincerely

Mrs A Hildrey
Headteacher
