

# ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

28 April 2025

Dear Families

## Ref: GCSE Exam Period

As we approach the GCSE examination period, we wanted to inform you that your child's timetable has been carefully adapted to provide additional focus on their GCSE subjects. These adjustments have been made with the intention of ensuring that all students are as well prepared as possible for their upcoming exams.

We fully recognise that this period can feel more intense and demanding for students. While academic preparation is important, the wellbeing of our students remains our highest priority. We are continually monitoring how students are coping with the changes to their routines and will continue to make adjustments as necessary to support their mental, emotional, and physical wellbeing.

We kindly ask that you also monitor how your child is feeling at home and encourage them to talk openly about any worries or anxieties they may have. Should you have any concerns, or feel your child needs additional support during this time, please contact your child's Class Teacher or Mr Mason, Assistant Headteacher – Secondary Department ([secondary@abbotsleaschool.co.uk](mailto:secondary@abbotsleaschool.co.uk))

Together, we can ensure that your child feels supported and confident as they approach their exams.

Thank you for your continued support and we wish all our senior students a very successful examination time ahead.

Yours sincerely

Mrs A Hildrey  
Headteacher
