

# ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

9 October 2025

Dear Families

## Ref: PNG Class Trip: Chester Zoo – Wednesday, 22 October 2025

As part of our climate change and conservation topic, students in PNG class will be visiting Chester Zoo on Wednesday, 22 October 2025.

During the visit, students will explore the zoo and learn about the various projects being run to help counter the effects of climate change on animals. They will also have the opportunity to enjoy the exhibits and deepen their understanding of conservation efforts.

Students will be at the zoo over lunchtime. They are welcome to bring their own packed lunch (in disposable bag please), or we can provide a school packed lunch if preferred. All students eligible for free school meals will be provided with a packed lunch by the school. Please confirm your child's preferred lunchtime arrangement by emailing me on the class email below.

Please ensure that your child wears **full formal school uniform**, along with **comfortable shoes** and a **waterproof jacket**, as the day will involve a fair amount of walking outdoors. If the weather is poor, we will spend more time in indoor exhibits.

We will leave the zoo at 1:30pm and return to school in time for regular transport arrangements. As this is a shorter visit, we may not be able to see everything, so you may wish to talk with your child about what they'd most like to see to help them make choices on the day.

To help cover the cost of the trip, we are requesting a **voluntary contribution of £10.00** per student. Payment can be made via the school's online payment system.

If you have any questions, please feel free to contact us at:
