

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

7 January 2026

Dear Families,

**Ref: Canada Class Trip
Liverpool World Museum – Planetarium – Friday 30 January 2026**

We are delighted to share that students in Canada Class will be taking part in an educational visit to Liverpool World Museum, specifically the Planetarium, on Friday 30 January 2026.

This exciting and free experience will allow the children to enjoy a sensory viewing focused on the stars and planets. The visit will support our learning by helping children to:

- Develop an understanding of light and dark
- Recognise that light can come from artificial and natural sources
- Understand that certain events happen yearly
- Practise moving safely and confidently around an unfamiliar environment

The trip will take place during the morning. We will leave school at 9:45am to arrive for our 10:15am booking, and we expect to return to school by 11:30am, in time for our usual class lunch.

Students will not need a packed lunch and should come to school wearing full school uniform. If you have any questions or would like further information, please do not hesitate to contact the class team.

We are very much looking forward to what promises to be a memorable and enriching experience for the children.

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
