Dear Families,

Ref: USA Class Trip - Liverpool Tunnels – Light and Dark Theme – Thursday 29 January 2026

We are delighted to inform you that students in USA class will be going on a class trip on Thursday 29 January 2026. This trip will take place in the morning.

Students will be embarking on the school minibus and will be driven around our local area, including travelling through the Liverpool tunnels, to support our current theme of Light and Dark. This experience will help bring their learning to life by allowing them to observe changes in light and darkness in a real-world setting.

In addition, the trip will support students' travel training skills, as they will practise embarking and disembarking the vehicle safely and appropriately.

There is no cost for this trip.

As this is a morning visit, no packed lunch is required, as students will return to school in time for lunch.

Full school uniform must be worn for the trip.

We are looking forward to an engaging and valuable learning experience for the students. If you have any questions or require further information, please contact the class team.

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
