Dear Families,

## **Ref: USA Class Trip to Liverpool World Museum – Thursday 5 March 2026**

We are delighted to share that students in USA Class will be visiting Liverpool World Museum on Thursday 5 March from 9:30am - 11:30am.

This visit links directly to our weekly theme of Minibeasts and will provide students with the opportunity to explore and learn about a range of different minibeast species in a real-life setting. Through this experience, students will develop a greater understanding of the world around them and build on their object-referencing skills by observing and engaging with different exhibits.

The session will support communication, curiosity and engagement, while also giving students valuable experience of learning in an environment beyond the classroom.

Students will not require a packed lunch and should attend school in full uniform.

If you have any questions or would like further information, please do not hesitate to contact the class team.

We are looking forward to an exciting and engaging visit for our students.

Yours sincerely

Mrs L Cartwright  
Assistant Headteacher – Primary Department
