Dear Families,

Ref: USA Class Trip to Quarry Street Park – Wednesday 26 February 2026

We are pleased to share that students in USA Class will be taking part in a local community visit to Quarry Street Park on Thursday 26th February at 10:00am.

This visit will focus on developing students' EHCP targets, particularly within their physical and sensory areas of need. The park provides a valuable opportunity for children to practise movement skills, build confidence in outdoor spaces and explore a range of sensory experiences in a natural environment.

The visit will also support students in engaging in the community, helping them to practise safe and appropriate behaviours outside of school while building independence and resilience. We will leave school shortly before 10:00am and return to school at approximately 11:30am. The visit will take place during school hours, and children will not require a packed lunch. Please ensure your child comes to school in full school uniform, dressed appropriately for the weather, with a suitable coat and shoes.

If you have any questions or would like further information, please do not hesitate to contact the class team.

We look forward to a positive and enjoyable visit for our students.

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
