Dear Families

Ref: Update Regarding Seychelles Class Teacher

I am writing to inform you that, sadly, Mrs Myerscough, the teacher in our Seychelles Class, has broken her leg and will unfortunately require an operation to recover.

Whilst we wish her a full and speedy recovery, our focus must remain on the students' education.

To ensure continuity and stability, we have secured a supply teacher who will continue to deliver high-quality teaching in Seychelles Class.

The class team support staff will remain in place to maintain established routines, ensuring consistency and predictability for the students.

If you have any queries regarding your child's curriculum progress, learning, or wellbeing during this time, please contact the class team in the first instance at seychelles@abbotsleaschool.co.uk who will be happy to support you.

You are also very welcome to contact me in my role as Assistant Headteacher at should you require any further support.

Thank you for your continued understanding and partnership. We will keep you informed of any further developments.

Please be assured that ensuring your child continues to receive a well-rounded education and any therapeutic support they require remains our priority during this time.

Yours sincerely

Mr R Mason
Assistant Headteacher – Secondary Department
