Dear Families,

## **Ref: Fiji Class – Change of Teacher After Easter**

I am writing to share an important update regarding Fiji Class.

After the Easter break, Mr Mellor will become the class teacher for Fiji Class. Many of the students already know Mr Mellor well, as he has previously taught a number of the students in the class. He brings significant experience in teaching accredited learning and supporting older students to achieve their best. We are very pleased that Fiji Class will benefit from his knowledge, calm approach and consistent, relationship-based practice.

We would also like to take this opportunity to thank Mr Care for the wonderful job he has done teaching Fiji Class this year. His commitment, warmth and creativity have had a positive impact on the students, and we are grateful for everything he has contributed to the class.

Please be reassured that we will support all students through this transition, so it feels smooth, positive and well-managed. We look forward to a successful start to the new term with Mr Mellor leading the class.

Thank you, as always, for your continued support.

Yours sincerely

Mrs E Tobin  
Deputy Headteacher
