Dear Families,

Ref: Kenya Class – Change of Teacher After Easter

I am writing to share an important update regarding the teaching arrangements for Kenya Class.

After the Easter break, Mrs Myerscough will be taking over as the class teacher for Kenya Class. We are absolutely delighted that she will be stepping into this role. Many of you will already know Mrs Myerscough as a warm, dedicated and highly skilled member of our team. She brings a wealth of experience, a nurturing approach, and a genuine passion for supporting every child to learn, grow and thrive. We feel incredibly fortunate that Kenya Class will benefit from her leadership and expertise for the remainder of the school year.

We would also like to take a moment to recognise the fantastic work that Mr Mellor has done with the class. He has built strong relationships and provided stability and care throughout his time in Kenya Class. Although he will no longer be the class teacher after Easter, he will continue to work in school, and the children will still see him around regularly.

This Friday will be a special opportunity for the class to spend time together, celebrate Mr Mellor, and say thank you for everything he has contributed. We will make sure this is handled gently and positively so that the students feel comfortable and reassured about the change.

As always, our priority is to ensure a smooth and supportive transition. We will continue to work closely with the class to help them feel secure, confident and ready for the new term with Mrs Myerscough.

Thank you for your continued support.

Yours sincerely

Mrs E Tobin
Deputy Headteacher
