

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

18 March 2026

Dear Families,

Ref: PNG Class Trip to Liverpool World Museum – Tuesday 24 March 2026

We are delighted to share that students in PNG Class will be visiting Liverpool World Museum on Tuesday 24 March from 10:00am – 12:00pm.

This visit will link directly to our term four themes, Living Things, Plants and Animals, and will focus on the Bug Floor section of the museum.

The trip will provide students with the opportunity to make real-life connections to their learning by observing a variety of mini beasts in an engaging and meaningful environment. Through this experience, students will further develop their understanding of the world around them, practice transitions, and enhance their communication skills.

There is no cost for this trip.

Students will not require a packed lunch and should attend in full school uniform.

Students are welcome to bring a small amount of money to use at the museum if they wish.

If you have any questions or require further information, please contact the class team.

We are looking forward to an exciting and engaging visit for our students.

Yours sincerely

Mr Mason
Assistant Headteacher – Secondary Department
