

# ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

13 March 2026

Dear Families,

**Ref: Seychelles Class Educational Visit – Tuesday 17 March 2026**

As part of our Design Technology topic “Building Bridges”, Seychelles class will be going on an educational visit on Tuesday 17 March 2026. Students will be observing the Jubilee Bridge, Mersey Gateway Bridge, and Runcorn Railway Bridge.

The class will travel by school minibus, stopping at three locations in Runcorn to observe the features of the bridges. Students will have an earlier lunch to allow time for the visit and return to school before the afternoon transport window.

There is no cost for this visit, and students should wear full school uniform.

We are looking forward to an engaging and valuable learning experience. If you have any questions, please contact the class team.

Yours sincerely

Ms McGawley  
Seychelles Class Teacher
