Dear Families,

Ref: USA Class Visit – Liverpool Landmarks Tour

We are delighted to share that students in USA Class will be taking part in a Liverpool Landmarks Drive on Thursday 16 April 2026.

This visit links directly to our weekly theme, Places, within *The World and Me* curriculum. Throughout the drive, students will have the opportunity to observe and explore a range of famous landmarks and significant locations within our city. This experience will support students in making real-life connections to their learning and deepen their understanding of the wider community.

In addition, this visit will support key aspects of the students' EHCP targets, particularly those related to accessing and being part of the community, developing confidence, practising transitions, and building communication skills in real-world environments.

We will leave school at 9:30am and return in time for lunch. Students will not require a packed lunch (unless they usually bring a lunch), as lunch will be provided in school when we return.

Please ensure your child attends school in their full school uniform.

If you have any questions or would like further information, please do not hesitate to contact the class team.

We are very much looking forward to an enjoyable and meaningful visit for our students.

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
