

## **SCHOOL UNIFORM POLICY**

### **1. Introduction**

Abbot's Lea School has very high aspirations for all of its students.

We are confident this updated policy provides a practical, inclusive, and affordable uniform offer that reflects the needs of our school community.

We take our students' views and opinions into consideration and this policy was developed following a consultation with the students of Abbot's Lea School, led by a team of Head Students.

We also value families' views and families were consulted in the process of choosing most suitable items for the students of all ages and preference.

The policy permits a number of alternative clothing options to cater for students with sensory preferences as a way of reasonable adjustments required to support individual needs.

Lastly, the Leadership Team has conducted a value-for-money assessment, and, in line with the expectations from the Department for Education, decided to change the supplier to provide best value for money to families.

There is no requirement for families to replace uniform items during the academic year 2025-26.

The updated uniform will become mandatory from 1 September 2026.

### **2. School Uniform Expectations**

At Abbot's Lea School, we expect all students to wear school uniform at all times during the school day, unless otherwise instructed (for example, on designated non-uniform days or specific educational visits).

Our uniform policy supports:

- A strong school identity and a sense of belonging
- Pride in appearance and readiness for learning
- Consistency across the school community
- Equality and reduced peer pressure in terms of clothing and accessories
- Preparation for future employment expectations

Students are expected to:

- Wear correct uniform daily
- Wear suitable footwear that is safe, supportive, and appropriate for a school environment
- Ensure clothing is worn in a tidy and appropriate manner

Uniform should be clean, appropriate, and worn correctly. Students are supported to meet expectations, and families are encouraged to contact the school if there are any difficulties in meeting uniform requirements.

The attached uniform guidance outlines expectations for:

- Formal uniform (updated for KS5 from September 2026, or sooner if chosen)
- Pe Uniform (updated for all ages and effective from September 2026, or sooner if chosen)
- Optional equipment, outerwear, and accessories
