

ABBOT'S LEA SCHOOL

Headteacher: Mrs Ania Hildrey, FCCT, B.Ed(Hons), M.Ed, NPQH, NPQEL

15 June 2026

Dear Families,

Ref: Mozambique Class Visit to Eureka! Science + Discovery Centre – Tuesday 16 June 2026

We are pleased to inform you that students in Mozambique class will be going on a class trip to Eureka! Science + Discovery on Tuesday 16 June 2026.

This visit is linked to our current Science topic on the Digestive System. During the visit, students will take part in an educational workshop focused on the digestive system, providing an exciting opportunity to deepen their understanding of this area of learning. Following the workshop, students will have the chance to explore the museum and engage with a range of interactive exhibits designed to inspire curiosity and scientific thinking.

We will be leaving the school site at 9:30am and returning by 2:30pm.

As this is a full-day trip, students will need to bring a **packed lunch**. Students who are entitled to free school meals will be provided with a packed lunch free of charge. Please inform the class team if you would like the school to provide a packed lunch for your child.

Full school uniform must be worn for this visit. As we will be out all day, please ensure your child brings a coat and is dressed appropriately for the weather.

The cost of the trip will be £10.00.

We are looking forward to a valuable and enjoyable learning experience for the students. If you have any questions or require further information, please do not hesitate to contact the class team.

Yours sincerely

Mrs L Cartwright
Assistant Headteacher – Primary Department
