17 September 2026

Dear Families,

Ref: Malawi Class Trip - Accredited Learning Art: Exploring Art in Liverpool – Monday 21 September 2026

As part of our Accredited Learning Art course, students in Malawi Class will have the opportunity to explore a variety of artistic styles within the local community.

On Monday, students will be visiting a number of locations across Liverpool between 9:45am and 1:00pm, where they will observe, identify and discuss different forms of art, including public art, sculptures, murals and architectural features.

Students will travel by school minibus and will be accompanied by school staff throughout the visit. This will provide students with an opportunity to experience art in real-life settings, develop their observational skills and gather information that will contribute towards their accredited learning portfolio.

The visit is designed to support students in developing their understanding of different artistic styles and how art is used within the local environment. It will also allow them to explore Liverpool's rich artistic and cultural heritage as part of their Accredited Learning Art curriculum. Students should wear **appropriate clothing and comfortable footwear** suitable for walking and the weather conditions on the day.

Packed lunches will be provided. However, we will also make a stop at a café near the Baltic Triangle to explore the art displayed there. If students would like to bring a small amount of money (a couple of pounds), they are welcome to do so.

We are looking forward to providing students with this engaging opportunity to learn outside the classroom and experience the variety of art that Liverpool has to offer.

If you have any questions regarding the visit, please do not hesitate to contact the school.

Yours sincerely

Miss Gibney
Class Teacher
