End of School Arrangements:

Transport Window:
End of school transport that day will start earlier that day, with the parental collections possible from 2pm, to be completed by 2:30pm, and LA buses from 2:30pm, to be completed by 2:45pm.

Care for some students:
We understand that some families who do not drive and/or live quite a distance away from school wish to visit the Fair may not be able to collect their child and return to school again. To help, we are offering a limited number of places for those students who would be unable to attend in such a case. Those students will be able to remain at school until 3:45pm, ready for families to collect them just before 4pm, and enjoy the Fair together.

A questionnaire will be circulated shortly to collect requests for this provision. Places are limited to a maximum of 90 students and will be allocated on a first-come, first-served basis. The deadline for completing the form is **Friday 6 November 2026**. However, if you would like your child to stay at school until 3:45pm, we strongly encourage you to submit your response as soon as possible to help secure a place.

Limited on-site parking:
Spaces are limited and will be allocated on a first-come, first-served basis. Once all spaces are filled, visitors are asked to use surrounding streets and park considerately, respecting our neighbours.

The Fair is open to all families, friends and members of our local community, so please feel free to invite grandparents, relatives and friends to join us!

All funds raised will directly benefit our school and students and so, it is a truly “feel good” cause.

We hope you will be able to join us for what promises to be a festive and enjoyable evening.

Thank you for your continued support, and we look forward to seeing you there.

Yours sincerely
